1.2. Emitex, Simatex and Confemaq will be carried out on **21 to 23 May, 2024** in **La Rural Trade Center** of Buenos Aires City, Argentina. The opening hours will be **Tuesday to Thursday, from 12 pm to 8 pm.**

1.3. The exhibition will be open to participation from manufacturers, importers, exporters, representatives and/or distributors, institutions and services which involve the sector, both at national and international level.

2. Areas and locations. Occupation

2.1. The booth location, its dimensions and free fronts will be determined by the Organizer, taking into account the Exhibitor's needs.

2.2. The Organizer reserves the right of **relocating and/or modifying** the original or intended booths distribution plans for a better realization of the event, without this involving the obligation of compensating the Exhibitor whatsoever.

2.3. If the Exhibitor decides to **change the area**, he/she should inform it in writing to the Organizer, who will confirm if said modification is accepted. In this case, the Exhibitor shall lose the right over the timely assigned space, and he/she shall be able to request a new location according to the current provisions.

2.4. The Organizer is not forced to accept the **area reductions** that the Exhibitor may request. If he/she accepts them, the Exhibitor shall not have the right to request a total or partial return of the amounts paid up to that moment, even though the amount was higher to the area cost that is finally assigned. The Organizer shall also proceed to relocate the booth site.

2.5. The Exhibitor **shall not assign, share, sell, rent, donate or transfer** the allocated booth or part of it without the prior authorization in writing of the Organizer.

The cancellation in the participation generates a fine in favor of the Organizer in accordance with the provisions of item 15 of the Participation Offer, which shall gradually increase as the decision of not taking part in the Event is made by the Exhibitor in a date closer to the beginning of the event assembly.

By **cancelling his/her participation**, the exhibitor will waive any right to the return of any amounts he/she has paid, becoming them a payment on account of the imposed fine and/or the Exhibitor shall pay the missing corresponding amount until he/she reaches the total fine amounts.

In this case, the Organizer may have the space available in the way he/she estimates more convenient for the general interests of the exhibition.

2.7. The Organizer has the capacity to cancel and/or dispose of the spaces of those exhibitors that, even when they have made total payments, have not occupied their booth within the 24 hours before the event opening to the audience.
